Looking for Help with the Media at Zion: We are looking for help with running some of the media at Zion. For funerals, or for the regular worship services we would like to have more people trained in how to operate the sound system of the church. Also, we are looking for a bit of help to operate the camera that provides the Facebook Live streaming. Both take a little bit of training which we are glad to provide. Please contact Pastor Aaron if you are interested. Thanks! 515-890-7558 or pastora@goldfieldaccess.net.

Building Healthy Families: *"He's got the whole world in His hands, He's got the whole world in His hands..."* Do you recall the words to this Sunday School song? It's more than just a fun song. This song speaks truth about how much God loves us and is in control – even during uncertain times like we're living in today. Be assured: He has not forgotten or abandoned you. *"This is how God showed his love among us: He sent his one and only Son into the world that we might live through him."*

I John 4:9 **Lutheran Family Service of Iowa (800)622-7285 or (515)573-3138. See website: www.LutheranFamilyService.org.**

"God has taken away your sins. He has changed your heart. He gives you the ability to put yourself last so that you can humbly serve others. That's greatness and a great life in God's eyes. That humble serving attitude values and serves every life whether that life is a few cells old or a gene short of worldly greatness." *Rev. Peter Sulzle, St. John Evangelical Lutheran Church, Redwood Falls, Minnesota – A Life Quote from Lutherans For Life • lutheransforlife.org.*

"The Amazing Chemistry Show" is an educationally entertaining stage production filled with explosions, colored foam, liquid nitrogen, and glow-in-the-dark solutions, all set to up-beat music.
